## Haul-Out Booking Information

- When phoning to book a haul-out please provide as much information as possible. At a minimum we need the name, length, type of vessel, insurance verification, owner name and phone number.
- We reserve the right to pressure wash any vessel on haul-out as deemed necessary in order to ensure the safety of blocking and to contain any contaminants.
- Overnight moorage at the Travelift slips must be pre-approved by the office. Vessels impeding the lift area will be subject to additional charges.
- Boats with rolling chocks, catamarans, yachts or boats of unusual design, will require more information prior to arrival. If a lift plan is not provided, AMS will not be held responsible for any damage to rolling chocks.
- Owners should arrive at the marina at least ½ hour before their scheduled haul-out time to complete all paperwork in the office.
